

Quaternion::normalize

```
graph LR; A[Quaternion::normalize] --> B[Quaternion::length]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text "Quaternion::normalize". A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text "Quaternion::length".

Quaternion::length
